

District Representatives

Overview of the position: Work with other members of the AAUW Texas board to provide support for and representation of branches and branch leaders within each geographical district.

Responsibilities to Branches:

- * Provide "TLC" (training, leadership development, and care/concern) for branches in conjunction with the Branch Services Officer.
- * At request of a branch, work with College/University Chair and branches to organize student affiliate groups on local college and university campuses.
- * At request of a branch, work with College/University Chair and branches to identify and recruit new College/University (C/U) members from qualified institutions in Texas.
- * Assist branch leaders in building and maintaining strong, active branches.
- * Communicate frequently with branches in the district; develop telephone and/or email network within the district.
- * Encourage branches to submit to state newsletter editor and website coordinator noteworthy branch activities.
- * Communicate branch activities, accomplishments, problems or concerns to appropriate member of Board of Directors.
- * Visit each branch and/or Interbranch Council as appropriate.

Responsibilities to State:

- * Serve as members of AAUW Texas Membership Committee.
- * Serve as members of the AAUW Texas Nominating Committee.
- * Identify areas within district for potential branches; assist membership vice president in establishing new branches.
- * Work with Board Members to conduct turnaround effort for any branch that been identified as in jeopardy or whose members have indicated they are considering disbanding.
- * At request of a branch, work with College/University Chair and branches to organize student affiliate groups on local college and university campuses.
- * At request of a branch, work with College/University Chair and branches to identify and recruit new College/University (C/U) members from qualified institutions in Texas.
- * Communicate branch activities, accomplishments, problems or concerns to appropriate member of Board of Directors.
- * Identify strong branch leaders and encourage them to consider position of state leadership.

Responsibilities to National:
